The Hassle-Free Lifecycle IT Asset Management Services

DIRECT 2 DESK

Remove the burden of IT asset admin and give your department time to focus on what's most important.

Trusted by

and many more

Why **Direct 2 Desk** Solves Your Challenges

As your single supplier, we handle sourcing, processing, refreshing, recycling, logistics, and automated collections from our 60,000 sq. ft logistics facility.

Join fast-growing firms like Monzo and Octopus who trust Novatech's Direct2Desk. With 35+ years of logistics expertise and proven success with 10,000+ employee organisations, our in-house systems outshine traditional resellers. Full API integration, no setup fees, and a dedicated team ensure we scale with your vision.

Reclaim your time, reduce costs, and optimize your IT device lifecycle. Let Novatech handle every detail while you drive your business forward.
